

Call 02 Bridge Repairs on County Road 39 over I-59 and 0.2 miles North of Clarke County Line at Chunky River, known as State Project Nos. MRP-6059-31(019) / 307159301 & MRP-5059-38(230) / 307163301 in Jasper & Lauderdale Counties.

- Q1. Will the Contractor be required to remove the trees/debris at the Jasper County site?
- A1. No, this will be handled under a separate contract. Any debris that may interfere with construction activities should be set aside for later removal.
- Q2. Can traffic be detoured onto the exit/on ramps during demolition phase of the Jasper County site?
- A2. Traffic may be detoured along the interchange ramps, **only** for the demolition phase, upon approval of a traffic control plan submitted by the Contractor that conforms to the MUTCD (Latest Edition), provides for continuous monitoring by the Contractor, is only implemented during working hours, and is able to be removed within 24 hours as directed by the Department. All costs associated with the detour are to be considered absorbed under Maintenance of Traffic.
- Q3. Would MDOT consider delaying the NTP due to submitting shop drawings and not having enough time to fabricate the beams?
- A3. The Notice to Proceed and Beginning of Contract Time will be as set forth in Notice to Bidders No. 2612.
