

Call 10 Placement of Raised Pavement Markers and Traffic Stripe on various routes throughout the District, known as State Project No. MP-7000-00(209)/307120301 in District 7.

Q1. Regarding NTB 2365 Special Project Signs, will these signs be required at the beginning and end of each route segment or only at directed locations?

A1. These signs will not be required for this project. See addendum.
