

**Call 06 Overlay approximately 11 miles of SR 589 from the Lamar County Line to US 49, known as State Project No. SP-7589-16(002)/108572301 in Covington County.**

Q1. Will the guardrail pads need to be paved to the face of the existing guardrail?

A1. The intent is to mill to the face of the guardrail at the two bridge sites and replace the asphalt. All other guardrail sections that currently have no asphalt will require excess excavation and asphalt.
