

Call 11 Bridge Replacements on SR 404 near Duck Hill (Bridge Nos. 4.1 & 5.9), known as Federal Aid Project No. BR-0715-00(016) / 106673301 in Montgomery County.

Q1. Will the Contractor be required to perform the static load test on this project? The plug price of \$5000/each is not sufficient to cover the cost.

A1. This project will not require a static load test.
