

Call 17 Overlay approximately 20 miles on US 61 from the Issaquena County Line to Rolling Fork, known as State Project No. SP-0009-02(085) / 108211301 in Sharkey County.

- Q1. 1.) Will asphalt guardrail pads at bridges be milled and overlaid? 2.) Is there a table MDOT could furnish showing the sizes and locations of areas to be pre-ground? 3.) Will traffic be allowed to run on milled Local Roads, Bridge Tie-ins and EOP/BOP milled areas for longer than the 14 days that is allowed for the three (3) mainline areas that are to be milled? 4.) Will cold mix be allowed to be used for temporary wedges?
- A1. 1.) No. 2.) A table of pre-grind areas can be downloaded at the link below. The table was created for estimation purposes only, and does not relieve the Contractor of the requirements of Subsection 412.03 of the Standard Specifications. <https://file-exchange.mdot.state.ms.us/dl/?f=57af65648f332de65d4a051312feb3817cdfd7d1> 3.) Yes, traffic will be allowed to run on the milled surface for 30 days on other areas except those limited to 14 days. 4.) No.
