

**Call 12 Overlay approximately 7 miles on SR 7 from the Humphreys County Line to 2 miles south of Morgan City, known as State Project No. MP-2007-42(009) / 307475301 in Leflore County.**

- Q1. Will 80,000 lb. gross weight loads be allowed to travel on Hwy 7?
- A1. The Contractor will be required to follow all Federal, State, and Local Laws as per Section 105.13 of the 2017 Mississippi Standard Specifications for Road and Bridge Construction.
- Q2. Does the 110,000 SY of fine milling still only represent main line tie-ins, local road tie-ins, driveways and bridge ends?
- A2. No. It includes the entire mainline, local road tie-ins and driveway pads.
- Q3. Will the ST 19 mm asphalt in item 403-A006 be used anywhere other than the two schedules provided in the scope of work (Notice to Bidders No. 3404)?
- A3. No.
- Q4. What is the intent for item 630-C005 as far as usage?
- A4. Pay Item No. 630-C005 was added with the intent of installing all new signs on square tube posts. Removal of existing posts shall be absorbed in Pay Item No. 630-C005.
