

Call 13 Mill & Overlay approximately 10 miles of SR 32 from SR 315 (Old SR 7) to the Calhoun County Line, known as State Project No. SP-2791-00(009) / 108265301 in Yalobusha County.

Q1. I am wondering if the saw cutting is for concrete or asphalt and how deep it is.

A1. Asphalt only, with an estimated thickness of 5.5" and variable.
