

Call 09 Bridge Replacement on SR 772 between CR 123 and SR 15 (Bridge No. 271.8), known as Federal Aid Project No. BR-9999-01(364) / 107850301 in Pontotoc County.

Q1. What is the Removal of Obstructions pay item for?

A1. This pay item will not be used on the project and the SQ sheet is in error. Bidders are hereby advised to bid **\$1.00** for this item, and a Class IV Supplemental Agreement will be executed to remove this pay item from the contract.

Q2. The plans indicate that there is a nationwide permit, but the proposal does not include any information regarding this. Can this information be provided?

A2. Permit information can be downloaded at the link below, and a Class IV Supplemental Agreement will be executed to add permit information to the contract.
