

Call 17 Mill & Overlay approximately 4 miles of SR 430 from US 82 to the Carroll County Line, known as State Project No. SP-9507-00(002) / 109442301 in Leflore County.

Q1. There are hardly any, if at all, existing asphalt pads for drives in section 3 (2-lane) of this project. Are new pads expected to be constructed in that particular section where there currently are none?

A1. Yes.
