

Call 03 Overlay approximately 8 miles of SR 27 from Dewey Ballard Road to just north of US 84, known as Federal Aid Project No. STBG-0054-01(061) / 109246301 & Roundabout Construction on SR 27 at West Thomas E Jolly Drive, known as Federal Aid Project No. CRP-0054-01(063) / 109274301 in Lawrence County.

Q1. In regards to the permanent signs, the estimated quantities show that it is going to be 24 yards of concrete. Wanting to verify this is a plan error.

A1. See addendum.

Q2. In regards to the guardrail, the summary of quantity sheets do not show any guardrail on the project. However, the letting advertisement does. Wanting to clarify if it is or isn't being replaced.

A2. This project has 2 parts: a Plans set for the CRP-0054-01(063) / 109274301 project and a Scope of Work (Notice to Bidders No. 5589) for the STBG-0054-01(061) / 109246301 project. Guardrail quantities are included in the Scope of Work for STBG-0054-01(061) / 109246301 project.

Q3. Note 4 in plans (Sheet No. 50 & others) state "Contractor to Coordinate with the MDOT Project Engineer for Placement of Changeable Message Signs for Wide Load Detour Routes." How does MDOT intend to Pay for required message boards, and is there an expected amount and time associated with the item?

A3. See addendum.

Q4. Sheet No. 4006 Detail 3/LD-2. What is the size and quantity of the vertical rebar?

A4. See addendum.

Q5. The wire sizes on sheet no. 4002 are different from the pay items. Which is correct?

A5. See addendum.
