

# Tired of paperwork? Try Internet bidding today!

The Bid Express® service, the leader in Internet bidding for infrastructure construction projects, is pleased to present a special offer to contractors bidding on Mississippi Department of Transportation projects.

For more than 18 years, the Bid Express service has been a reliable, secure, and cost effective method for finding projects and submitting bids. The Bid Express service is used by the departments of transportation in Alabama, Arkansas, Louisiana, Missouri and Tennessee.

More than 9,000 bidders in the U.S. and Canada trust the Bid Express service. It ensures the bid is complete, checks for errors and reduces data entry. Bids submitted via the Internet are encrypted so they are safe, and you can revise/withdraw/resubmit a bid as many times as needed, up to the deadline. You always get a receipt for your bid submittal, so you know it was received.

When you bid via the Internet, there is no paper, no disk and no travel. Just upload your bid and you are done!

## Free (after rebate) Info Tech Digital ID with purchase of monthly subscription to Mississippi DOT bidding

Subscription fees are \$35 for Basic and \$15 for Bidding Services charged monthly to credit card. Regular cost of Digital ID of \$100 is reimbursed by Info Tech in full if Digital ID is created before July 31, 2015.

## Training sessions

Mississippi DOT will be hosting training sessions in the Northern, Central and Southern regions from July 2015 through January, 2016. Visit <http://mdot.ms.gov/Applications/BidSystem/bidxtraining.aspx> to sign up online.

## Contact

Please contact Billy Owen with Mississippi DOT at (601) 359-7730 or [bowen@mdot.ms.gov](mailto:bowen@mdot.ms.gov) with questions about training. Please contact the Bid Express support team at (888) 352-BIDX (2439) or [customer.support@bidx.com](mailto:customer.support@bidx.com) with questions about Internet bidding or the free Digital ID offer.
