### Contraflow Plans

**Interstates 59 and 55 Contraflow Plans**

In an effort to assist the state of Louisiana, MDOT will implement contraflow (lane reversal) for both I-59 and I-55 when requested by Louisiana and approved by the Governor of Mississippi. Category III, IV or V hurricanes in the Gulf of Mexico are situations that might cause a mandatory evacuation of the greater New Orleans area. (Contraflow operations cannot be considered on Highway 49).

- The decision to contraflow is NOT automatic and will only be used when absolutely necessary. Citizens **should not delay** their evacuation plans in anticipation of contraflow.
- The I-59 contraflow operations would begin in Louisiana, extend into Mississippi, and end just south of Hattiesburg.
- The I-55 contraflow operations would begin in Louisiana, extend into Mississippi, and end just south of Brookhaven.
- All exits within the contraflown sections of the interstate highways will remain open as traffic conditions allow. Law Enforcement Officers will be present to assist with traffic control.
- The shoulders of both Interstates 59 and 55 should be kept clear for emergency vehicles. Motorists needing to stop should use the next available exit.
- Hancock County residents traveling West into Louisiana on I-10 will be routed North onto I-59 at the I-10/I-12 split.
- Tune-in to Mississippi Public Broadcasting radio stations for emergency information and updated road conditions (see Radio Coverage Areas).

### Radio Coverage Areas

![Mississippi Public Broadcasting FM Radio Coverage Map]

- **Oxford** 90.3
- **Greenwood** 90.9
- **Booneville** 89.5
- **Jackson** 91.3
- **Miss. State** 89.9
- **Meridian** 88.1
- **Biloxi** 90.3
- **Bude** 88.9

### Hattiesburg Traffic Control

MDOT will enforce the following procedures in the Hattiesburg area to avoid severe congestion at the intersections of three major routes.

- **Northbound traffic on Hwy 49** may NOT be allowed to exit at either Hwy 98 or I-59.
- **Northbound traffic on I-59** can ONLY exit at Hwy 11 (Exit 60) or West on Hardy Street/Hwy 98 (Exit 65).
- **Westbound traffic on Hwy 98** may NOT be allowed to exit onto Hwy 49, but directed to merge onto I-59 instead.
