for use on the above project. We advise and affirm that there is not a side agreement or mutual understanding between _____, prime (sub) contractor and _____, lessor, whereby we are required to pay any bonus, premium, stipend, stipulation, gratuity, or extra compensation of any nature whatsoever, in addition to the agreed rental price or prices for equipment being rented and used in construction of the above mentioned project. In addition, there does not exist a bond between _____, prime (sub) contractor, and _____, lessor. A schedule of the equipment, rental rates, indicating with or without, as applicable, labor used in the operation of the equipment, and the anticipated duration of use expressed in units of time (hours, days, weeks or months) are as follows:

SCHEDULE (Attach additional sheet if needed)

Equipment Make & VIN Number	Model	Year	Duration	Cost per Unit of Time	Operator

We further certify that the rental prices shown without operators are reasonable for the units of equipment being rented and that any rental prices shown with operators are reasonable and include an amount for payment of labor used in the operation of such equipment by _____, lessor, at the effective rates shown in the contract.
