

Snow Warrior

Description – This workshop offers you the opportunity to review your winter maintenance plans and procedures and share experiences. The instructor will encourage you to discuss your operations and concerns. You will learn what others are doing and get new ideas that you can use. This course covers all aspects of winter maintenance operations. Topics for this practical workshop include • Winter driving skills for plow operators • Liability, policies and plans for winter road maintenance • How salt and sand work, and ways to improve their effectiveness.

Registration Information – Registration can be completed online at: www.mdot.ms.gov/ltap/ or by completing the information below and submitting this form to the LTAP Team via email at ltap@mdot.ms.gov . **Registration is \$25. Lunch is not provided.** Substitutions may be made at any time. Any registrant requiring a reasonable accommodation during training (i.e., mobility or access) should contact the Mississippi LTAP Center prior to the course date so the appropriate arrangements can be made.
