MISSISSIPPI HIGHWAY MAP

IT'S A FACT—
That the first concrete highway completed south of the Ohio River was in Lee County, Mississippi.
That the longest perfectly straight and level concrete highway in the United States is a 50-mile link on U.S. 61, north of Clarksdale, Mississippi.
That Mississippi's four-year program, begun in 1936, includes $85,000,000 for paved state highways.
That there is no gasoline tax division in Mississippi.
