A Mississippi ante-bellum home.

Hallway and winding staircase in an ante-bellum home built in 1790.

Crossing the "Father of Waters" in Mississippi.

The Mississippi Gulf Coast is a fisherman's paradise and boasts of one of the largest sea food canning industries in the United States, as well as being famous as a pleasure-resort area with excellent boating and bathing facilities.

A typical scene along Mississippi's Gulf Coast.

Modern four-lane development.

By enacting into law practical rules of the road, Mississippi is endeavoring to protect travelers over our highways. Our highway patrolmen are courteous and efficient and will be pleased to assist you in every reasonable way.

Winding down the mountains in East Mississippi.

One of the beautiful state memorials in Vicksburg National Military Park.

Tunneling through trees and banks

Mississippi offers you an abundance of genuine hospitality, scenic beauty, historic lore and recreation. No matter at what point you enter our state, you sense that feeling of cordial friendship which enhances the pleasure of your visit with us.

Over modern highways, designed and constructed to provide the utmost in safety, all sections of Mississippi may be easily and quickly reached.

Here you find the fine old traditions and well preserved memorials of the Old South, intermingled with the modern progress of the New South.

Here you find a balmy climate and a profusion of flowers and foliage the year round — a climate ideal for the vacationist in summer and winter.
