A Message from the Governor

For our distinguished citizens and visitors alike, these pages unfold *The South's Warmest Welcome* to the magic of Mississippi. The melodious Muskhogean word, "Mississippi," evokes imagery of the legendary Choctaws and Chickasaws, rugged frontiersmen, the mysterious influence of a great river system of the world, timeless Southern elegance, international trade, and consummate quality of life. Abundant resources, gracious hospitality, and unprecedented economic development form the matrix of the Mississippi Miracle. Two factors determine the spirit and strength of a state: the resources with which it is blessed and the character and productivity of its citizens. In Mississippi, we have accomplished a rare feat. We have preserved the best of our past - while advancing boldly, progressively, and purposefully to meet a promising future. The highest honor of my life has been serving the citizens of the sovereign State of Mississippi. We welcome you to our celebration of a New Millennium…*Mississippi's Millennium.*

Climate

Mississippi's moderate climate encourages outdoor activity year-round. The state experiences a noticeable change of seasons, but temperatures remain mild and pleasant throughout the year. January's average high is 50 degrees; the summer's high reaches into the 90s.

Rules of the Road

The speed limit on Mississippi interstate highways is 70 mph, unless otherwise posted. The state highway maximum speed limit is 65 mph on four-lane divided highways and 55 mph on two-lane highways. The speed limit on the Natchez Trace Parkway is 50 mph. Hauling and commercial trucking are not allowed on the Parkway. Charter buses may obtain a special permit from the Natchez Trace Parkway headquarters by calling 1.800.305.7417. Crash helmets, approved by the American Association of Motor Vehicle Administrators, are required for all persons traveling by motorcycle/motor scooter. Mandatory seat belt laws require that driver and front-seat passengers wear seat belts. All children under the age of four must be restrained in a suitable car seat while children between the ages of four and eight must be properly restrained with a seat belt.

Gun Permit Law

Firearms may be carried through the state in your vehicle. They cannot be carried on your person and must remain in the vehicle at all times. Special provisions exist for transporting firearms when traveling on the Natchez Trace Parkway. Firearms must be unloaded and outside the immediate reach of the driver or passengers. They must be transported separately from the ammunition.

RV/Trailer Length Limits

Motor home lengths may not exceed 40 feet. The legal length for a travel trailer is 53 feet, not including the motor vehicle. The legal width may not exceed 8.5 feet and the height may not exceed 13.5 feet.
