Mississippi has thousands of lakes that abound in bass, crappie, and bream.

Along the Mississippi Gulf Coast you will find beautiful beaches, unbelievably good all-year fishing and accommodations to fit the purse of all.

Scenes representative of Mississippi at work and play, together with scenes of the many attractions we have to offer. You are invited to tour our state, over roads classed among the best in the nation.

Whether you plan to visit our state or make it your home,

You're Always Welcome

Every kind of relaxation can be had in the many state parks of Mississippi

Highway forming winding concrete carpet to town and country.

Dixie's Field of the Cloth of Gold.

Year-round grazing makes Mississippi ideal for cattle raising and dairying. Both are, and have long been "big business".

Industry has flocked to Mississippi in recent years because of ideal climate, contented labor, cheap power, and an assured welcome.
