

RIDES Teacher Training Application

RIDES is a hands-on science, technology, engineering, and math program for K-8 teachers. There is no cost for the training; however, teachers may purchase CEU credit for \$15. Lunch will be provided by MDOT and each participant will receive a curriculum guide (aligned National Standards and the Common Core for Mathematics) and a trunk of resources to share with another participating teacher from your school. The two day training begins at 9 a.m. and ends at 4 p.m. each day; dress is casual.

In order to receive the resource trunk and certificate of attendance, participants must and mail in this completed application and attend BOTH days of training. We also require the principal's signature granting permission for teachers to attend and utilize the program.
