RE: Call No. 09, BR-0018-02(045) / 103325302 -- Attala County

Bidders are advised that the Summary of Quantities sheet in the plans and the bidsheets in the contract documents indicate that the quantity for 18" Reinforced Concrete End Section on this project is 96 each. This is in error. The correct quantity for 18" Reinforced Concrete End Section should be **8 each**.

Bidders are instructed to prepare their unit bid price for 18" Reinforced Concrete End Sections based on a quantity of **8 each**, not 96 each.

DO NOT CHANGE THE QUANTITY LISTED ON THE PROPOSAL BIDSHEETS. Total bid for Line No. 0370, 603-CB001, 18" Reinforced Concrete End Section, must be based on a unit bid price for a quantity of 8 each and extended using the indicated quantity of 96 each.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the number of 18" reinforced concrete end sections on this project, and that you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
