Bidders are hereby advised that Line No. 1410, 907-617-A001, Right-Of-Way Marker, was inadvertently included on the summary of quantities sheets in the plan and on the bid sheets in the proposal. This pay item **will not** be used on this project. Bidders are advised that they should bid a unit price of \$0.01 on the bid sheets.

In addition, Bidders are hereby advised that the typical section in the plans (TS-1, sheet 7) on Note 11 references that existing asphalt trench widening will be removed. However, the depth is not shown. The depth of asphalt trench widening removal will be 6.5 inch and variable.

Your formal acknowledgement of receipt of this notification will be entered into our records and indicates your understanding that the right-of-way markers will not be used on this project and the depth of trench widening removal will be 6.5 inch and variable, and you have bid accordingly.
