Q1. Regarding Portable Rumble Strips, I noticed they mention them on Page 72, Note 8 and then have the special provision section but I do not see a line item for these. Are they to be included and if so should they be included in the Maintenance of Traffic?

A1. ~~Yes, they are to be included and absorbed in Pay Item 618-A, Maintenance of Traffic.~~  
**REVISED ANSWER:** See addendum.

Q2. The spec book includes a Special Provision No. 907-619-6 addressing Temporary Portable Rumble Strips (pg. 110-111), but there is no pay item. They are also not mentioned within the scope of work. Will these devices be required?

A2. See Answer #1.
