

**Call 17 Mill & Overlay approximately 7 miles on I-59 from 1600' south of the Hillsdale Rd. Interchange to the Lamar County Line, known as Federal Aid Project Nos. IM-0059-01(117) / 107069301 & 302 in Pearl River & Lamar Counties.**

- Q1. There is a standard drawing for precast concrete barriers in the drawing set but there is not a pay item. Will these be utilized and how will they be paid?
- A1. The Standard Drawings are for informational purposes. The use of concrete barriers is not anticipated.
- Q2. Will pre-cast concrete barriers be required at pier protection areas while working?
- A2. If the Contractor elects to use concrete median barriers for protection, the costs shall be absorbed in other items of work.
