

Call 02 Emergency Bridge Repair on SR 30 over US 45 (Bridge No. 58.2), known as Federal Aid Project No. STBG-0044-01(034) / 109173301 in Prentiss County.

Q1. During the demolition and FRP phases can all southbound traffic be diverted onto the on/off ramps during working hours?

A1. See addendum.

Q2. Will traffic be allowed to be shifted to the off ramp and remain during work hours, or will work have to be performed over one lane at a time?

A2. See addendum.
