

SECTION 905 -- PROPOSAL (CONTINUED)

I (We) hereby certify by digital signature and electronic submission via Bid Express of the Section 905 proposal below, that all certifications, disclosures and affidavits incorporated herein are deemed to be duly executed in the aggregate, fully enforceable and binding upon delivery of the bid proposal. I (We) further acknowledge that this certification shall not extend to the bid bond or alternate security which must be separately executed for the benefit of the Commission. This signature does not cure deficiencies in any required certifications, disclosures and/or affidavits. I (We) also acknowledge the right of the Commission to require full and final execution on any certification, disclosure or affidavit contained in the proposal at the Commission's election upon award. Failure to so execute at the Commission's request within the time allowed in the Standard Specifications for execution of all contract documents will result in forfeiture of the bid bond or alternate security.

Bidder acknowledges receipt of and has added to and made a part of the proposal and contract documents the following addendum (addenda):

SECTION 904 - NOTICE TO BIDDERS NO. 3570

CODE: (SP)

DATE: 09/20/2022

SUBJECT: Additional Construction Requirements

PROJECT: STBG-0064-00(020) / 101838301 – Simpson County

Standard Drawing Sheet No. ECD-17, Temporary Culvert Stream Crossing, addresses the placement of riprap and pipe in a stream for the purpose of a stream crossing. Bidders are advised that whether or not this plan sheet is shown in the plans or contract, the placement of materials in the waterway for a stream crossing, as referenced in ECD-17, will **NOT** be allowed on the project.

Bidders are further advised that the Contractor shall limit all in stream work to between June 15 and February 15 to avoid impacts to spawning and young-of-year Gulf Sturgeon. If a temporary work bridge is required, it will be on construction pilings so flow and fish passage are not impacted.
