

**Call 05 Construction of a Roundabout on SR 301 at Star Landing Road, known as Federal Aid Project No. HSIP-0030-01(012) / 108638301 in Desoto County.**

- Q1. 1.) Will aluminum direct burial with Federal DOT approved breakaway capability be considered? 2.) Will Cooper Lighting equal be considered for lighting?
- A1. 1.) No. 2.) Prior to construction, the successful bidder may submit substitution requests to the Project Engineer for review and approval. Rejection of submitted products that the Department does not consider to be an approved equal will not be the basis for additional time and/or compensation.
- Q2. Pay items 682-E001, Structure Mounted Junction Box and 682-E002, Underground Junction Box, are shown on the bid sheets but we cannot find them on the drawings.
- A2. These two pay items will not be used on the project and the SQ sheet is in error. Bidders are hereby advised to bid **\$1.00** for each of these items, and a Class IV Supplemental Agreement will be executed to remove these pay items from the contract.
