

Call 15 Mill & Overlay approximately 7 miles of SR 18 from 0.4 miles west of Lemon Road to 1 mile west of Carpenter Road, known as State Project Nos. MP-3018-11(010) / 308321301 & MP-3018-15(004) / 308321302 in Claiborne & Copiah Counties.

Q1. I would like to request that you review section #4 of the Scope of Work in Addendum #1. This revision to the scope of work leaves the awarded contractor with the possibility of an unquantifiable amount of risk and liability. Please review and advise if you would consider any changes.

A1. Bidders are advised to bid as per the plans and contract documents. All relevant information regarding the existing bridge has been provided at the link below.

Q2. With the changes to section #4 in Addendum #1 additional milling will be required but, there was no change to the planned quantity. Should this work be considered absorbed?

A2. No, it will be paid for under the milling pay item as stated in the Scope of Work.
