

Call 05 Roundabout Construction on Shriners Blvd. at I-10, known as Federal Aid Project No. STBG-0086-00(009) / 108824301 in Harrison County.

Q1. On Sheet No 10. Items 403-A002 and 403-A014 says it includes 198 and 149 Tons of Temp Widening, but the Temp widening detail says to use MT, ST 19-mm for Widening. Please Advise.

A1. See addendum.

Q2. **1.)** Is there any details pertaining to size, and types of pull boxes, and Junction Boxes needed for the project, specifically pay items 682-D002, and 682-DOO4. **2.)** Are there any more details to the line item 682-F001 Secondary Power Controller such as Main Breaker size, branch circuit sizes, Contactor's size, etc. **3.)** What type of conduit is required for structure mounted circuits in Item 682-C009.

A2. See addendum.
