

Call 09 Widen & Overlay approximately 7 miles on SR 612 from SR 613 to the Alabama State Line, known as Federal Aid Project No. STBG-1109-00(007) / 108686301 in George County.

Q1. 1.) Guardrails going over the Escatawpa river on the south side appear to be smaller and eroded away. What's the plan for this area? The guardrails back to the west on this are in a similar condition. No pay items for guardrails pads how are we to address? 2.) Will nuclear testing be allowed for pavement density testing?

A1. 1.) Guardrails will be replaced and paved underneath. 2.) Yes.

Q2. The milling quantities and descriptions as given add up to roughly 6,500 SY. The pay item is for 9,818 SY. Is there another milling section that is accounted for in the quantities and not described in the scope of work?

A2. The plan quantity of 9,818 SY has been verified and is correct.
