Q1. Due to existing conditions in all ditch repair areas prior to commencing proposed scope of work, can the Borrow Excavation, AH, FME, Class B9-6 and Excess Excavation, FM, AH be changed to LVM measurements? The concern is due to existing conditions, deep undermining, vegetative growth etc. and how accurate the initial survey shots of existing elevations will be taken in order to quantify accurate FM measurements once complete.

A1. No.

Q2. In regards to the permanent signs. Are the pay items listed in the notice to contractors correct or are the pay items listed in the plans correct? The quantities are the same but the pay items are different.

A2. See addendum.
