

Call 10 Safety Improvements along US 49 from WSF Tatum Blvd. to Sims Road, known as Federal Aid Project No. HSIP-0080-01(020) / 109129301 in Forrest County.

Q1. There are pay items for Concrete Median Barriers and Remove/Replace of those barriers, however, we do not see any traffic control plans stating how those are planned to be used. Does MDOT have a current plan for those barriers?

A1. They were intended to be used around the work zones in the median.
