

Call 03 Bridge Repair on I-20 over the Big Black River & Reliefs (Bridge Nos. 17.3A, 17.3B, 17.7A, 17.7B, 17.9A & 17.9B), known as Federal Aid Project No. NHPP-0020-01(272) / 109172301 & 302 in Hinds & Warren Counties.

Q1. Can we request the as-builts for bridge No. 17.3A, 17.3B, 17.9A & 17.9B?

A1. These can be downloaded here: <https://file-exchange.mdot.state.ms.us/dl/?f=2aadd52e607b1395f3fb25ad93708dfdbcdd200a>

Q2. Per plans and specifications details, 907-824-B001 FRP Wrap Bi-directional is to be applied to the ends of caps on bridges 17.7A and 17.7B. (8004 & 8005) The estimated quantity table on 8004 indicates that this will be measured & paid as square feet. We believed this is the intent of MDOT but the proposal and EBSX file indicates that it will be measured and paid as linear feet. Please confirm that pay item 907-824-B001 FRP Wrap, Bi-directional is to be measured and paid as square feet.

A2. See addendum.
