

Call 12 Mill & Overlay approximately 9 miles of US 51 from the Madison City Limits to Dinkins Street, known as Federal Aid Project No. STBG-6928-00(018) / 109022301 in Madison County.

Q1. On page 169 (Lane Closure Restrictions), it says lane closures will be allowed Monday thru Friday 8:00 am to 4 p.m. from BOP to Sowell Rd. Are there any time restrictions from Sowell Rd. North to EOP?

A1. No.

Q2. Regarding the trench widening limits, are the 2nd and 3rd set of station numbers on P. 161 of proposal correct? Sta.468+00 to Sta. 505+61 runs thru the Nissan Pkwy./US 51 intersection and Sta. 538+66 to Sta. 572+75 is thru the curb and gutter section.

A2. See Addendum 1.

Q3. The table for 12.5-mm, HT trench widening on page 161 of proposal lists only enough tons (2,656 tons) for 1 lane of trench widening for the stations listed, not both L/R lanes as listed in table. Please advise.

A3. See Addendum 1.
