

Call 05 Overlay approximately 7 miles of SR 15 from the intersection SR 67 North, known as Federal Aid Project No. STP-0022-01(095) / 109815301 in Harrison County.

Q1. Can you provide the locations for the BOP and EOP? How far is the BOP/EOP from the HWY 67 Bridge? Maybe a GPS Location?

A1. The BOP is at the 67 bridge excluding the ramps. The EOP is 1.6 miles North of White Planes rd. (N30.577493, W88.932155). There is a pavement change at this location.

Q2. Does the roundabout get milled and overlaid with two lifts of ultrathin? If so, what are the limits of paving at the roundabout?

A2. The roundabout gets milled and will be paved back with 1.5" of 9.5-mm ST. The limits on Lamey Bridge Rd. will be the pavement change at the end of the gore area on the east and west ends. See Addendum 1.
