

Call 04 Tree Removal on Various Routes, known as State Project Nos. MP-5000-25(215) / 309693325, MP-5000-45(216) / 309693345 and MP-5000-61(217) / 309693361 in Hinds, Madison & Rankin Counties.

- Q1. Can a locations map be provided (as provided with previous projects with the same or similar scopes of work) for each route that corresponds with the estimated quantities referenced in NTB #6798. There is no way to calculate the number of mobilizations or production required with the information provided.
- A1. See Addendum 1.
- Q2. I request that MDOT provide a map of routes to be cleared. If we are only given miles of debris clean up on a road, we will have to assume that ALL miles will be the worst areas, and it will increase the price per mile.
- A2. See Addendum 1.
