

Call 08 Bridge Repair on Madison Street over MS 178 (Bridge No. 88.0), known as Federal Aid Project No. STBG-9999-01(413) / 109675301 in Lee County.

Q1. There is a saw-cut type 1 pay item associated with the project but Preformed Joint Seal was left out from this project. Is MDOT intends to add Preformed Joint Seal pay item by an addendum. Please advise.

A1. See Addendum 1.

Q2. Can we request as-builts for this project?

A2. They can be downloaded at the following link: <https://file-exchange.mdot.state.ms.us/dl/?f=f7cb576323b632d58595d3d722333eac7c95910d>

Q3. Does the curb and fence receive a class 2 finish with the rail?

A3. The curb sections and railing on the bridge shall receive the spray finish.
