

Call 16 Overlay approximately 8 miles of US 51 from Osyka to Magnolia, known as State Project No. SP-2175-00(017) / 109048301 in Pike County.

- Q1. 1.) Clarification on Quantity Breakdown The table on page 27 provides a breakdown of quantities for Mainline, Local Roads, Driveway Pads, and Guardrail Pads. However, based on the current project scope and available quantities, it appears that only the Mainline section is fully accounted for. Could you please clarify? 2.) Request for Estimated Leveling Locations Table To assist with field coordination and material planning, could you provide a table outlining the estimated leveling locations?
- A1. 1.) See Addendum 1. 2.) See Addendum 1.
