

SECTION 905 -- PROPOSAL (CONTINUED)

I (We) hereby certify by digital signature and electronic submission via Bid Express of the Section 905 proposal below, that all certifications, disclosures and affidavits incorporated herein are deemed to be duly executed in the aggregate, fully enforceable and binding upon delivery of the bid proposal. I (We) further acknowledge that this certification shall not extend to the bid bond or alternate security which must be separately executed for the benefit of the Commission. This signature does not cure deficiencies in any required certifications, disclosures and/or affidavits. I (We) also acknowledge the right of the Commission to require full and final execution on any certification, disclosure or affidavit contained in the proposal at the Commission's election upon award. Failure to so execute at the Commission's request within the time allowed in the Standard Specifications for execution of all contract documents will result in forfeiture of the bid bond or alternate security.

Bidder acknowledges receipt of and has added to and made a part of the proposal and contract documents the following addendum (addenda):

The following is my (our) itemized proposal.

STBG-9999-02(407)/ 109900301000

District 2 County(ies)

Revised 01/26/2016

MISSISSIPPI DEPARTMENT OF TRANSPORTATION

SECTION 904 - NOTICE TO BIDDERS NO. 7186

CODE: (SP)

DATE: 08/21/2025

SUBJECT: Scope of Work

PROJECT: STBG-9999-02(407) / 109900301 – District Wide

The contract documents do not include an official set of construction plans but may, by reference; include some Standard Drawings when so specified in a Notice to Bidders entitled, “Standard Drawings”.

Work on the project shall consist of the following:

The Contractor is advised to follow the written description in the tables below for the placement of raised pavement markers rather than the county maps. The Contractor shall be responsible for furnishing and placing High Performance Raised Pavement Markers (HPRPMs) in accordance with Section 627 of the Standard Specifications and in accordance with the Standard Drawings as applicable. Also enclosed are maps of each county within the District showing the routes or the segments of routes on which HPRPMs are to be placed. Estimated quantities are shown by County.

The Contractor shall be responsible for removal of all existing raised pavement markers (RPMs) on any routes where they are currently located prior to placement of the new HPRPMs. The Contractor shall take all necessary precautions to insure that the underlying pavement is not damaged during removal of the existing RPMs and shall be responsible for any pavement damage resulting from the removal process. At the discretion of the Engineer, existing RPMs that are severely embedded into the pavement may be allowed to remain in place. IN no case shall existing RPMs be removed more than one (1) week prior to the placement of the new HPRPMs. This work will not be measured for separate payment, the cost shall be included in the unit prices of other items bid.

The Contractor will be further responsible for establishing all the necessary controls to insure that the HPRPMs are installed in a uniform line in accordance with the above mentioned detail sheets. The Contractor is also responsible for all pavement surface cleaning or other preparation necessary prior to placement of the HPRPMs to insure a proper bond. This work will not be measured for separate payment, the cost shall be included in the unit prices of other items bid.

The Contractor shall provide all signs and traffic handling devices necessary to safely maintain traffic around and through the work area. This shall include both vehicular and pedestrian traffic. All costs shall be included in Pay Item No. 907-618-A: Maintenance of Traffic.

The Contractor is further advised that at the final inspection, all HPRPMs that are missing or damaged shall be replaced and will not be measured for separate payment.

Incidental work that is necessary to complete the work will not be measured for separate payment and the cost will be included in the unit prices of other items bid.

DISTRICT 2
