

Call 05 Mill, Level & Overlay approximately 4 miles of US 49 from US 11 to beginning of divided section at I-59, known as Federal Aid Project No. NHPP-0080-01(021) / 109463301 in Forrest County.

Q1. According to MDOT's July 14, 2025 memo, asphalt guardrail mow strips should be replaced with one of the details from the memo, such as a crushed stone option. Please advise whether such crushed stone guardrail pad should be used in this job.

A1. Crushed Stone will be used.

Q2. Due to the latest ruling from the US Department of Transportation temporarily suspending DBE requirements, will the 2% DBE goal as set forth in contract proposal still be required?

A2. No. The DBE Goal was removed in Addendum 1 and Addendum 2.
