

Call 03 Bridge Repair on US 278 over the Buttahatchie River (Bridge No. 21.6) known as Federal Aid Project No. STBG-0016-01(037) / 109673301 in Monroe County.

Q1. Will MDOT consider designating Item 907-417-A001 Polymer Cement Surface System as a Specialty Item? This work accounts a very significant part of the entire project and is licensed by the manufacturer to one specific subcontractor, so there is no opportunity for this work to be self-performed by the Contractor.

A1. See Addendum 3.
