

Call 11 Install Center Audible Stripe, Replace Curve & Intersection Warning Signs, Refresh Striping & install Raised Pavement Markers on MS 23 from School Loop Drive in Tremont to the Alabama State Line, known as Federal Aid Project No. HRRR-2837-00(005)/110032301 in Itawamba County.

Q1. Under the scope of work section note 4 under Traffic Control mentions Patching Potholes. Will this work be Required?

A1. **Revised Answer:** ~~The reference to patching potholes shall be disregarded.~~ The reference to patching potholes has been deleted. See Addendum 2.

Q2. In the scope of work it says Loose Existing Thermoplastic shall be Removed by Brooming or other Approved Methods Will any Stripe Removal be Required other than the bridges or will Brooming be OK Prior to Restripe?

A2. Brooming of the roadway prior to restriping will be acceptable provided it removes loose existing thermoplastic and leaves nothing that interferes with the placement of new stripe.
