Call 11 Bridge Removal on SR 373 (Bridge Nos. 9.9 & 10.3), known as Federal Aid Project No. STBG-2708-00(002) / 109707301,302 in Lowndes and Monroe County.

Q1. **1.)** Removal of Pavement, all types and Depths - Please confirm whether existing concrete pavement is anticipated beneath the asphalt pavement within the removal limits. **2.)** Site Grading - No specific limits, elevations, typical sections, or grading details appear to be provided for the site grading pay item. Please confirm the intended scope and limits of this work. Is the intent to grade, shape, and dress the existing roadway and disturbed areas to provide positive drainage to the existing roadside slope/ditches?

A1. **1.)** Existing concrete is not anticipated beneath the existing asphalt, but regardless of if concrete is encountered it shall be paid as Removal of Pavement, All Types and Depths. **2.)** Yes.
