**Call 09 Fog Seal approximately 6.2 miles of I-59 from 0.8 mile north of CR 39 to the Jasper/Clarke County Line & Replacing OGFC on approximately 6.45 miles of I-59 from the Jasper County north approximately 6.45 miles, known as Federal Aid Project Nos. IM-0059-02(123) / 110070301 & IM-0059-02(116) / 109253301 in Jasper & Clarke Counties.**

Q1. Looking at the failed areas in Clarke County, they are concrete punchouts with asphalt over them. However, there isn't any asphalt to be placed back on them once concrete is cured to get to finish grade. Will these be poured to the top in concrete or will asphalt be placed on them?

A1. See Addendum 2.
