OUR MISSION

The Mississippi Department of Transportation is responsible for providing a safe intermodal transportation network that is planned, designed, constructed and maintained in an effective, cost-efficient and environmentally-sensitive manner.

OUR VISION

The Mississippi Department of Transportation's objective is to maximize taxpayers' dollars by providing a safe, efficient multimodal network that enhances economic stability and growth.

LETTER FROM THE EXECUTIVE DIRECTOR

Dear Friends:

State Fiscal Year 2022 was a banner year for the Mississippi Department of Transportation [MDOT]. Thanks to an increase in funding and an agency-wide focus on efficiency, the number of projects that were approved to begin construction reached an all-time high in the past fiscal year. A total of just over \$964 million in projects was approved in SFY 2022. This amount represents an 80% increase over the average of the previous 5 years and the most that has ever been approved by the agency. Projects to replace and repair bridges, resurface roadways, make safety improvements and more are taking place across the state. I am very proud of the men and women of MDOT. They, along with our partners in the private sector, are to be commended for their work that continually benefits the people of Mississippi.

MDOT's federal funding increased as a result of the Infrastructure Investment and Jobs Act [IIJA], which provided Mississippi with more than \$1 billion in additional funding from the Federal Highway Administration over a five-year period. On the state level, the Mississippi Legislature increased MDOT's appropriation in the 2022 session by \$236 million, which included supplements to MDOT's maintenance and capacity programs. Additionally, the agency receives \$80 million in lottery proceeds that have been used to pave hundreds of miles of rural highways around the state.

Infrastructure projects typically take shape over the course of a few years. With additional funding and an unprecedented number of approved projects, the public can expect to see more activity to improve infrastructure taking place throughout the state.

In addition to additional revenue, and with the support of the Mississippi Legislature, MDOT has made great strides in positively adjusting staff salaries. This is a trend we intend to continue as we work to rebuild our labor force to accommodate the additional work.

MDOT's management team is actively seeking out opportunities to become more efficient, better utilize innovation, and strengthen our relationships with government leaders as well as our partners in the private sector. By working together, we will continue to carry out our mission of providing a safe and well-organized transportation network that supports all users and needs.

Sincerely,

A handwritten signature in black ink that reads "Brad White". The signature is written in a cursive, flowing style.

Brad White

EXECUTIVE SUMMARY

Revenues

MDOT is a special fund agency and receives both federal and state revenue from dedicated taxes and fees which are annually appropriated by the Mississippi State Legislature. MDOT's total revenue for FY 2022 was approximately \$1.14 billion. Federal funds and state motor fuel taxes provided 80.9% of MDOT's funding for FY 2022, with the balance comprised of various categories, such as truck fees, vehicle tags and contractor's tax.

Expenditures

MDOT's actual expenditures for FY 2022 totaled approximately \$1.14 billion. MDOT's expenditures for state and locally maintained roads and bridges totaled approximately \$1.06 billion.

\$1,055,248,068

SPENT ON THE STATE AND LOCAL
ROAD AND BRIDGE SYSTEM

BY THE NUMBERS

Highways

- \$1,055,248,068 spent on the state and local road and bridge system.
- \$964,408,158 awarded in MDOT road and bridge contracts.
- \$664,888,584 spent on active MDOT road and bridge contracts.
- \$204,497,786 let for bridge maintenance, replacement or repair projects.
- 84 bridge repair and replacement projects were awarded during FY 2022.
- An additional \$2,293,077 was spent on routine bridge repair and maintenance.
- \$1,403,287 was spent on bridge repairs due to accidental vehicle impacts.
- 3,193 bridge inspections performed.
- 1,824 lane miles of roadway resurfaced.
- 420 lane miles of roadway sealed.
- 2,336 miles of unpaved shoulders reshaped.
- 2,473 miles of new pavement striping applied.
- \$205,414,123 invested in routine maintenance projects such as overlays, restriping, patching pot-holes, controlling invasive plants and chip sealing on roadways.

- 309,052 acres of state-maintained right-of-way grass mowed.
- 4,379 cubic yards of litter removed from the roadside.
- Volunteers collected 4,299 bags of litter through the Adopt-A-Highway program.
- 6,398 bags of litter collected through “Trash Bash” events.
- 161,359 bags of trash collected through the Inmate Litter Program.
- 52 women and minority-owned small businesses certified under the federal Disadvantaged Business Enterprise (DBE) program.
- Spent 11.64% of federal funds with DBE consultants and contractors.
- 14 Federal Aid Projects with 13,200 on-the-job training hours assigned to 18 enrolled trainees.
- 178,573 oversized/overweight load permits issued.
- \$15,193,393 collected in permit fees and spent on maintenance of state highways.

3,193 BRIDGE INSPECTIONS PERFORMED

Multimodal Transportation Improvement Program

- \$3.4 million invested in airport improvement projects.
- \$3.8 million obligated for improvements to the state's 16 ports.
- \$1.2 million allocated to railroad projects.
- \$1.6 million utilized for public transit system projects.

\$3.8 MILLION
OBLIGATED FOR IMPROVEMENTS
FOR THE STATE'S 16 PORTS

Education and Outreach

- Trained 61 Mississippi school teachers in the Roadways Into Developing Elementary Students (RIDES) education modules.
- Trained 11 Mississippi school teachers in the Transportation and Civil Engineering (TRAC) education modules.
- 900 students reached through TRAC education modules.
- 51 students reached through Mississippi Summer Transportation Institute program.
- Safety Education Program conducted 54 safety demonstration events, including 16 school and college campuses, around the state.
- Litter Prevention Program reached 5,055 students at 58 schools through anti-litter education programs.
- Employees earned 288 certifications through several different programs offered by the Mississippi State Personnel Board and other industry-related programs.
- 59 classes taken by employees through the Federal Highway's National Institute Program.

MISSISSIPPI TRANSPORTATION COMMISSION

The State of Mississippi vests oversight of its transportation resources and operations in a three-member elected commission representing three geographic areas in the state as defined by the Supreme Court Districts: Central [Supreme Court District 1], Southern [Supreme Court District 2] and Northern [Supreme Court District 3]. The Commissioners have the authority and responsibility for the supervision of all modes of transportation in the state dealing with aeronautics, highways, public transit, ports and railroads.

TOM KING

Southern District Transportation Commissioner, Chairman

Commissioner King has been the Southern District Transportation Commissioner since 2012. King previously served as a state lawmaker since 1993 when he was elected to the House of Representatives. King served in the House until 2000 when he began his tenure in the Senate. While in the Senate, his leadership brokered many bills designed to better the lives of Mississippians. As Chairman of the Senate Highways and Transportation Committee, King authored resolutions that honored the achievements of persons throughout his district and the state. Most notably, King authored Senate Bill 3181—the \$300 million bond bill for highways and bridges, and Senate Bill 3014 known as the John Paul Frerer Bicycle Act, which promotes safety for cyclists on the roadways. King is a Veteran of the Vietnam War, having proudly served his country in the Air Force as an Air Policeman.

WILLIE SIMMONS

Central District Transportation Commissioner

Commissioner Simmons served as a Mississippi State Senator for more than 26 years. For the last eight years, he served as Chairman of the Senate Highways and Transportation Committee. Under his leadership in the Senate, over \$5B was spent throughout the state on the construction and upgrade of federal and state roads, county and municipal streets and bridges; also, millions of dollars on public transit, ports, railroads, airports and other infrastructure support systems. He played an integral role on projects such as the repair of the Woodrow Wilson Bridge in Jackson; the upgrade and repair of Highway 8 in Cleveland; the Highway 82 Bypass in Leland among many others. He also served as Chairman of the Corrections Committee and Vice Chairman of the Public Health and Welfare Committee. Simmons is a Combat Veteran of the Vietnam War, having served his country proudly in the United States Army.

JOHN CALDWELL

Northern District Transportation Commissioner

Commissioner Caldwell has accumulated multiple decades of experience in leadership, transportation, fleet management and logistics. He has a Bachelor of Science from Arkansas State University and an MBA in Public Administration from Columbia Southern University. Caldwell is a Marine combat veteran of Desert Storm and Iraqi Freedom. He was awarded the Bronze Star and Legion of Merit among other awards. He retired from the Marine Corps Reserves as a Colonel with extensive operational and logistical experience over land, air and sea.

THE DEPARTMENT

Transportation Commission

Tom King – Southern District Commissioner, Chairman
Willie Simmons – Central District Commissioner
John Caldwell – Northern District Commissioner
Amy Hornback – Secretary to the Commission
Pat Carter – Administrative Assistant

Administration

Brad White – Executive Director
Jeff Ely – Chief of Staff
Brian Ratliff – Deputy Executive Director/ Chief Engineer
Billy Owen – Assistant Chief Engineer, Field Operations
Jim Willis – Assistant Chief Engineer, Operations
Colby Willis Kimmel – Assistant Chief Engineer,
Pre-construction
Lisa Hancock – Deputy Executive Director/
Administration
Charles Carr – Director, Office of Intermodal Planning
Ben Cohen – Chief Information Officer

District Engineers

Matt Dunn, District 1, Tupelo
Mitch Turner, District 2, Batesville
Earl Glenn, District 3, Yazoo City
Neil Patterson, District 5, Newton
Kelly Castleberry, District 6, Hattiesburg
Albert White, District 7, McComb

Division Directors

Josh Stubbs – Aeronautics and Rails Director
Julie Ethridge – Asset Management Director
Roy Tipton – Assistant Attorney General
Emily Harrington – Audit Director
Byron Flood – Budget Director
Jim Jordan – Central Services Director
Carolyn Bell – Civil Rights Director
Stephen Rone – Consultant Services Director
Neal Dougherty – Contract Administration Director
Adam Johnson – Environmental Director
Jada Kirk – Financial Management Director
Mark Thomas – Highway Safety Engineer
Terrance Yarbrough – Human Resources Director
Robby Burt – Ports and Waterways Director
Nick Walters – Procurement Director
Mack Dowell – Programming Director
Jas N Smith – Public Affairs Director
Shirley Wilson – Public Transit Director
Trudi Loflin – Right-of-Way Director
Scott Westerfield – State Bridge Engineer
Shane Martin – State Construction Engineer
Lee Frederick – State LPA Engineer
Heath Patterson – State Maintenance Engineer
Griffin Sullivan – State Materials Engineer
Evan Wright – State Planning Engineer
Cindy Smith – State Research Engineer
Chris Nail – State Roadway Design Engineer
James Sullivan – State Traffic Engineer

REVENUE AND EXPENDITURES

Revenue Sources

MDOT is funded through appropriations by the U.S. Congress and the Mississippi Legislature. Congress provides funding through the Federal Highway Administration [FHWA], the Federal Transit Administration [FTA], the Federal Railroad Administration [FRA], and the Federal Aviation Administration [FAA]. For FY 2022, MDOT received \$604.25 million in federal funds.

State Revenue Sources

The Mississippi Legislature provides state funding through motor fuel taxes and other fees. Mississippi has a state fuel tax of 18.4 cents per gallon. Under Mississippi statutes, MDOT receives a portion of fuel tax collections. MDOT received 73 percent of total state fuel taxes collected in FY 2022: \$317.0 million. The state law allocates the remainder to Wildlife and Fisheries, Marine Resources, State Aid, cities and counties.

MDOT is also funded through receipts derived from other dedicated state taxes such as truck and bus fees; the privilege tax; weight and size permits; trip permits; a contractor's tax of 3.5 percent assessed on certain highway construction contracts; a \$5 per vehicle tag registration fee; a lubricating oil tax; and interest income.

Federal Revenue Sources

Federal highway construction assistance is paid to all states through the Federal Aid Highway Program. Funding is derived from revenues collected by the U.S. Treasury from certain federal taxes on fuel, tire sales and other items which are deposited into the Federal Highway Trust Fund as well as infusions from the General Fund as needed to keep the Highway Trust Fund solvent.

Distribution of assistance from the Federal Highway Trust Fund is subject to periodic authorization and annual appropriation by Congress. Since such assistance was established by the Federal Aid Highway Act of 1956, the program has been reauthorized many times in various forms at generally increasing funding levels. Actual payments to states have continued without interruption since 1956.

The Federal Highway Trust Fund is a dedicated federal fund with revenues held in trust for reimbursement of expenditures by the states for costs of eligible transportation projects, including highway projects.

Revenue Received

MDOT's total revenue for FY 2022 was \$1.14 billion. State motor fuel taxes and federal funds provided 80.9 percent of the Department's funding for FY 2022. MDOT received \$317.0 million in funds from state motor fuel taxes during this reporting period. As stated above, the state motor fuel tax is a primary funding source for the Department. Revenue from other state taxes for FY 2022 included the following:

- Truck & Bus Taxes/Fees \$83.3 million
- Contractor's Tax \$16.4 million
- Tag Fees \$18.7 million

Actual Expenditures

MDOT's expenditures for FY 2022 totaled approximately \$1.14 billion. MDOT's expenditures for state and locally-maintained roads and bridges totaled approximately \$1.06 billion.

- Of this amount, \$102.3 million transferred for Local Road and Bridge System as Federal Highway pass-throughs to State Aid and local governments (LPAs and MPOs)

Expenditures not related to state maintained roads and bridges totaled \$87.5 million and are listed as follows.

Transfers for Other Purposes

- State Mandated Transfers - Harvest Permit Revenues and Overweight fines to counties, beaver control to MDAC, welcome center operations to MDA, anti-litter to Keep MS Beautiful, GO payment to Treasurer and Multimodal Fund transfer
- Federal Grant Pass-throughs - Federal Transit grants to public transit providers, Federal Aviation Authority payments

Business Support

- Support and oversight functions including Executive Management, Financial Management, Budget, Procurement, Asset Management, Audit, Human Resources, Public Affairs and Information Systems
- DOT specific business applications for federal compliance and prioritizing road/bridge needs: project accounting system [federal billing], maintenance management system [analyze all maintenance needs to prioritize operations and capture cost], safety management system [collect and analyze DPS crash data to prioritize safety needs; collect and analyze railroad grade crossing data to prioritize crossing upgrades by formula]
- Intermodal Support - Support and oversight functions for the FTA grant program, FAA grant program, FRA grant program, and the state multimodal program

FY 2023 Projected Revenues & Expenditures

MDOT's budgeted expenditures (as appropriated by the Mississippi Legislature) for FY 2023 are approximately \$1.43 billion, while estimated revenues are approximately \$1.43 billion.
