OUR MISSION

The Mississippi Department of Transportation is responsible for providing a safe intermodal transportation network that is planned, designed, constructed and maintained in an effective, cost-efficient and environmentally-sensitive manner.

OUR VISION

The Mississippi Department of Transportation's objective is to maximize taxpayers' dollars by providing a safe, efficient multimodal network that enhances economic stability and growth.

LETTER FROM THE EXECUTIVE DIRECTOR

Dear Friends:

As we close another year, it is with great pride that I reflect on the remarkable accomplishments of the Mississippi Department of Transportation (MDOT) in 2024. This has been a year of transformation, growth, and substantial progress, marked by the dedicated efforts of our leadership team and the unwavering commitment of the MDOT workforce.

The past year has been extraordinary for infrastructure development across Mississippi. With a record-setting \$1.2 billion in approved projects, Fiscal Year 2024 surpassed previous benchmarks, exceeding the 2022 record by over \$255 million. This success underscores our strategic focus on securing funding and improving operational efficiency, yielding significant advancements in transportation safety, capacity, and economic development.

At the federal level, we benefited from grants awarded by the U.S. Department of Transportation and strategic support from Mississippi's congressional delegation. On the state front, the Mississippi Legislature increased MDOT's appropriations during the 2024 session by \$620 million, bolstering our capacity and maintenance programs. These funds have been instrumental in launching transformative projects across the state, including:

- **The Ripley Bypass:** A \$195 million initiative in Tippah County that enhances safety and economic growth through widened roadways and a new connector.
- **The U.S. 82 Greenville Bypass (Phase II):** A \$216 million project, constructing 16 miles of new highway to strengthen connectivity in the Delta.
- **Capacity Enhancements on I-10:** A \$155 million Gulf Coast project to expand and modernize a critical transportation corridor.

These milestones reflect MDOT's dedication to delivering innovative, impactful solutions. In addition to large-scale infrastructure investments, 2024 saw many statewide paving projects funded by \$80 million from the Mississippi Lottery, further improving road safety and usability.

As Executive Director, it has been my privilege to lead MDOT through this transformative period. Together, we've achieved higher employee pay, secured increased funding for multimodal initiatives, and strengthened partnerships with federal and state stakeholders. Yet, our mission continues. The coming year promises more opportunities to enhance Mississippi's transportation systems and deliver enduring benefits to our citizens and industries.

This progress is a testament to the tireless efforts of the entire MDOT team, whose dedication establishes the credibility that enables us to secure vital resources and advance our mission. As we look to 2025, I am confident we will continue to rise to every challenge, working together to create a safer, stronger, and more modern transportation network for Mississippi.

Thank you for your contributions to MDOT's success.

Sincerely,

A handwritten signature in black ink that reads "Brad White". The signature is fluid and cursive, with the first name "Brad" being more prominent than the last name "White".

Brad White

EXECUTIVE SUMMARY

Revenues

MDOT is a special fund agency and receives both federal and state revenue from dedicated taxes and fees which are annually appropriated by the Mississippi State Legislature. MDOT's total revenue for FY 2024 was approximately \$1.44 billion. Federal funds and state motor fuel taxes provided 79.1% of MDOT's funding for FY 2024, with the balance comprised of various categories, such as truck fees, vehicle tags and contractor's tax.

Expenditures

MDOT's actual expenditures for FY 2024 totaled approximately \$1.45 billion. MDOT's expenditures for state and locally maintained roads and bridges totaled approximately \$1.38 billion.

\$1,380,181,867

SPENT BY MDOT ON THE STATE AND
LOCAL ROAD AND BRIDGE SYSTEM

BY THE NUMBERS

Highways

- \$1,380,181,867 spent by MDOT on the state and local road and bridge system.
- \$1,219,157,845 awarded in MDOT road and bridge contracts.
- \$936,943,167 spent on active MDOT road and bridge contracts.
- \$238,249,263 let for bridge maintenance, replacement or repair projects.
- 70 bridge repair and replacement projects were awarded during FY 2024.
- An additional \$3,809,563 was spent on routine bridge repair and maintenance.
- \$4,152,342 was spent on bridge repairs due to accidental vehicle impacts.
- 3,119 bridge inspections performed.
- 1,052 lane miles of roadway resurfaced.
- 264 lane miles of roadway sealed.
- 1,388 miles of unpaved shoulders reshaped.
- 1,298 miles of new pavement striping applied.
- \$226,915,843 invested in routine maintenance projects such as overlays, restriping, patching pot-holes, controlling invasive plants and chip sealing on roadways.

- 307,154 acres of state-maintained right-of-way grass mowed.
- 3,158 cubic yards of litter removed from the roadside by our state forces.
- Volunteers collected 4,845 bags of litter through the Adopt-A-Highway program.
- 6,140 bags of litter collected through “Trash Bash” events.
- 169,817 bags of trash collected through the Inmate Litter Program.
- 61 women and minority-owned small businesses certified under the federal Disadvantaged Business Enterprise (DBE) program.
- Spent 10.55% of federal funds with DBE consultants and contractors.
- 26 Federal Aid Projects with 21,720 on-the-job training hours assigned to 27 enrolled trainees.
- 172,947 oversized/overweight load permits issued.
- \$16,044,924 collected in permit fees and spent on maintenance of state highways.

3,119 BRIDGE
INSPECTIONS PERFORMED

Multimodal Transportation Improvement Program

- \$3.4 million invested in airport improvement projects.
- \$3.8 million obligated for improvements to the state's 16 ports.
- \$1.2 million allocated to railroad projects.
- \$1.6 million utilized for public transit system projects.

\$3.8 MILLION
OBLIGATED FOR IMPROVEMENTS
FOR THE STATE'S 16 PORTS

Education and Outreach

- 31 students reached through Mississippi Summer Transportation Institute program.
- Safety Education Program conducted 71 safety demonstration events, including 22 school and college campuses, around the state.
- Litter Prevention Program reached 8,886 students at 54 schools through anti-litter education programs.
- Employees earned 260 certifications through several different programs offered by the Mississippi State Personnel Board and other industry-related programs.

MISSISSIPPI TRANSPORTATION COMMISSION

The State of Mississippi vests oversight of its transportation resources and operations in a three-member elected commission representing three geographic areas in the state as defined by the Supreme Court Districts: Central [Supreme Court District 1], Southern [Supreme Court District 2] and Northern [Supreme Court District 3]. The Commissioners have the authority and responsibility for the supervision of all modes of transportation in the state dealing with aeronautics, highways, public transit, ports and railroads.

WILLIE SIMMONS

Central District Transportation Commissioner, Chairman

Commissioner Simmons served as a Mississippi State Senator for more than 26 years. For the last eight years, he served as Chairman of the Senate Highways and Transportation Committee. Under his leadership in the Senate, over \$5B was spent throughout the state on the construction and upgrade of federal and state roads, county and municipal streets and bridges; also, millions of dollars on public transit, ports, railroads, airports and other infrastructure support systems. He played an integral role on projects such as the repair of the Woodrow Wilson Bridge in Jackson; the upgrade and repair of Highway 8 in Cleveland; the Highway 82 Bypass in Leland among many others. He also served as Chairman of the Corrections Committee and Vice Chairman of the Public Health and Welfare Committee. Simmons is a Combat Veteran of the Vietnam War, having served his country proudly in the United States Army.

CHARLES BUSBY

Southern District Transportation Commissioner

Commissioner Busby is in his first term as Southern District Transportation Commissioner, covering 27 counties and approximately one million people. He previously served three terms in the Mississippi House of Representatives beginning in 2012. During his tenure in the House, his many committee assignments included Appropriations, Education, Energy, Gaming, Insurance, Interstate Cooperation, Marine Resource and Ports, Harbors and Airports. Notably, he served as Chairman of the House Transportation Committee since 2016. Prior to entering politics, he worked as a mechanical engineer for Brown & Root, Chevron and the Herzog-Hart Corporation. From 2001-2024, he served as the President of Orion Engineering. He is a member of the Pascagoula Rotary Club, Jackson County Chamber of Commerce, Jackson County Economic Development Foundation, American Society of Mechanical Engineers, American Council of Engineering Companies, and the NRA.

JOHN CALDWELL

Northern District Transportation Commissioner

Commissioner Caldwell has accumulated multiple decades of experience in leadership, transportation, fleet management and logistics. He has a Bachelor of Science from Arkansas State University and an MBA in Public Administration from Columbia Southern University. Caldwell is a Marine combat veteran of Desert Storm and Iraqi Freedom. He was awarded the Bronze Star and Legion of Merit among other awards. He retired from the Marine Corps Reserves as a Colonel with extensive operational and logistical experience over land, air and sea.

THE DEPARTMENT

Transportation Commission

Willie Simmons – Central District Commissioner,
Chairman
John Caldwell – Northern District Commissioner
Charles Busby – Southern District Commissioner
Amy Hornback – Secretary to the Commission
Pat Carter – Administrative Assistant

Administration

Brad White – Executive Director
Jeff Ely – Chief of Staff
Earl Glenn – Deputy Executive Director/ Chief Engineer
Janie Bass – Assistant Chief Engineer
Timothy Frederick – Director of Preconstruction,
Engineering
Trudi Loflin – Director of Preconstruction,
Program Management
Lisa Hancock – Deputy Executive Director/
Administration
Jim Willis – Director, Office of Intermodal Planning
and Highway Operations
Ben Cohen – Chief Information Officer

District Engineers

Matt Dunn, District 1, Tupelo
Mitch Turner, District 2, Batesville
Andy McNair, District 3, Yazoo City
Neil Patterson, District 5, Newton
Billy Owen, District 6, Hattiesburg
Albert White, District 7, McComb

Division Directors

Josh Stubbs – Aeronautics and Rails Director
Susan Thames – Asset Management Director
Emily Harrington – Audit Director
Byron Flood – Budget Director
Jim Jordan – Central Services Director
Andrea Hendricks – Civil Rights Director
Stephen Rone – Consultant Services Director
Neal Dougherty – Contract Administration Director
Adam Johnson – Environmental Director
Jada Kirk – Financial Management Director
Mark Thomas – Highway Safety Engineer
Terrance Yarbrough – Human Resources Director
Judy Martin – Legal Division Director
Trung Trinh – Ports and Waterways Director
Alex Lazarou – Procurement Director
Mack Dowell – Programming Director
Will Craft – Public Affairs Director
Shirley Wilson – Public Transit Director
Don Drake – Right-of-Way Director
Scott Westerfield – State Bridge Engineer
Shane Martin – State Construction Engineer
Mitchell Young – State LPA Engineer
Matt Dugas – State Maintenance Engineer
Griffin Sullivan – State Materials Engineer
Evan Wright – State Planning Engineer
Cindy Smith – State Research Engineer
Chris Nail – State Roadway Design Engineer
James Sullivan – State Traffic Engineer

MDOT Organizational Chart

FINANCIAL MANAGEMENT AND BUDGET

Statement of Receipts and Disbursements for the Fiscal Year ended June 30, 2024

FY 2024 Receipts

Receipts:	
Federal Funds	\$827,287,064
Fuel Tax	312,791,367
Other Receipts	73,481,767
Truck and Bus Taxes/Fees	88,619,962
Tag Fees	19,760,674
Contractor's Tax	23,334,541
Lottery	92,317,911
Commercial Vehicle Fees	4,325,838
Total Receipts	\$1,441,919,124

MDOT Expenditures: How Much Goes to State Roads and Bridges?

87% spent on the State Road and Bridge System
94% spent on the State and Local Road and Bridge System

FY 2024 Expenditures

Expenditures:	
Capital Outlay - Payments to Contractors	\$919,627,387
Salaries and Benefits	173,062,138
Subsidies - Payments to State Aid, Public Transit and Debt Service	153,690,812
Contractual Services	143,208,161
Commodities	41,521,650
Capital Outlay - Equipment	18,527,211
Capital Outlay - Land and Buildings	1,605,174
Travel	1,501,937
Total Disbursements	\$1,452,744,470

Estimated Revenues for the Fiscal Year ending June 30, 2025

FY 2025 Estimated Revenues

Estimated Revenues:	
Federal Funds	\$787,000,000
Fuel Tax	315,000,000
Other Receipts	199,000,000
Truck and Bus Taxes/Fees	88,000,000
Contractor’s Tax	19,000,000
Tag Fees	19,000,000
Interest	5,000,000
Commercial Vehicle Fees	5,000,000
Lubricating Oil Tax	1,000,000
Total	\$1,438,000,000

REVENUE AND EXPENDITURES

Revenue Sources

MDOT is funded through appropriations by the U.S. Congress and the Mississippi Legislature. Congress provides funding through the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), the Federal Railroad Administration (FRA), and the Federal Aviation Administration (FAA). For FY 2024, MDOT received \$827.29 million in federal reimbursements.

State Revenue Sources

The Mississippi Legislature provides state funding through motor fuel taxes and other fees. Mississippi has a state fuel tax of 18.4 cents per gallon. Under Mississippi statutes, MDOT receives a portion of fuel tax collections. MDOT received 73 percent of total state fuel taxes collected in FY 2024: \$312.8 million. The state law allocates the remainder to Wildlife and Fisheries, Marine Resources, State Aid, cities and counties.

MDOT is also funded through receipts derived from other dedicated state taxes such as truck and bus fees; the privilege tax; weight and size permits; trip permits; a contractor's tax of 3.5 percent assessed on certain highway construction contracts; a \$5 per vehicle tag registration fee; a lubricating oil tax; and interest income.

Federal Revenue Sources

Federal highway construction assistance is paid to all states through the Federal Aid Highway Program. Funding is derived from revenues collected by the U.S. Treasury from certain federal taxes on fuel, tire sales and other items which are deposited into the Federal Highway Trust Fund as well as infusions from the General Fund as needed to keep the Highway Trust Fund solvent.

Distribution of assistance from the Federal Highway Trust Fund is subject to periodic authorization and annual appropriation by Congress. Since such assistance was established by the Federal Aid Highway Act of 1956, the program has been reauthorized many times in various forms at generally increasing funding levels. Actual payments to states have continued without interruption since 1956.

The Federal Highway Trust Fund is a dedicated federal fund with revenues held in trust for reimbursement of expenditures by the states for costs of eligible transportation projects, including highway projects.

Revenue Received

MDOT's total revenue for FY 2024 was \$1.44 billion. State motor fuel taxes and federal funds provided 79.1 percent of the Department's funding for FY 2024. MDOT received \$312.8 million in funds from state motor fuel taxes during this reporting period. As stated above, the state motor fuel tax is a primary funding source for the Department. Revenue from other state taxes for FY 2024 included the following:

- Truck & Bus Taxes/Fees \$88.6 million
- Contractor's Tax \$23.3 million
- Tag Fees \$19.8 million

Actual Expenditures

MDOT's expenditures for FY 2024 totaled approximately \$1.45 billion. MDOT's expenditures for state and locally-maintained roads and bridges totaled approximately \$1.38 billion.

- Of this amount, \$130.9 million transferred for Local Road and Bridge System as Federal Highway pass-throughs to State Aid and local governments (LPAs and MPOs)

As shown below, the large majority of the Department's expenditures were focused in the Construction program (dollar amounts are in the millions):

Maintenance Program	\$226.9	15.6%
Construction Program	\$1070.3	73.7%
Administration Program	\$39.2	2.7%
Debt Services Program	\$73.6	5.1%
Aeronautics, Rails, Transit and Ports Program	\$42.7	2.9%
	\$1452.7	100%

Supplemental Appropriations

In addition to our regular appropriation, MDOT also receives supplemental appropriations for the programs listed below. In FY 2024, MDOT spent \$69 million on these supplemental programs.

1. MDOT's Capacity Project Fund Program assists in creating, developing, and constructing capacity projects included in the Three-Year Plan in accordance with Miss. Code Ann. § 65-1-141.2.
2. MDOT's Infrastructure Match Fund provides funds to match federal funds available from the annual Federal Highway Administration appropriations and from the supplemental Infrastructure Investment and Jobs Act (IIJA) appropriations.
3. The Emergency Road and Bridge Fund Program provides for emergency repairs to roads and bridges in accordance with Miss. Code Ann. § 65-1-179.
4. The Strategic Multi-Modal Investments Fund was established by the Legislature in 2023 for the purpose of increasing the capacity for the movement of freight and increase economic activity at airports, ports and railroads throughout the state.
5. Infrastructure Improvement Funds - The Legislature has provided MDOT with multiple appropriations for various infrastructure improvement projects.

FY 2025 Projected Revenues & Expenditures

MDOT's budgeted expenditures (as appropriated by the Mississippi Legislature) for FY 2025 are approximately \$1.44 billion, while estimated revenues are approximately \$1.44 billion.
