OUR MISSION

The Mississippi Department of Transportation is responsible for providing a safe intermodal transportation network that is planned, designed, constructed and maintained in an effective, cost-efficient and environmentally-sensitive manner.

OUR VISION

The Mississippi Department of Transportation's objective is to maximize taxpayers' dollars by providing a safe, efficient multimodal network that enhances economic stability and growth.

LETTER FROM THE EXECUTIVE DIRECTOR

Dear Friends:

As we close another year, it is with great pride that I reflect on the remarkable accomplishments of the Mississippi Department of Transportation (MDOT) in 2025. This has been a year of transformation, growth, and substantial progress, marked by the dedicated efforts of our leadership team and the unwavering commitment of the MDOT workforce.

The past year has been extraordinary for infrastructure development across Mississippi with \$855 million in approved projects including \$104 million of American Rescue Plan Act (ARPA) funded projects. This success underscores our strategic focus on securing funding and improving operational efficiency, yielding significant advancements in transportation safety, capacity, and economic development.

At the federal level, we benefited from grants awarded by the U.S. Department of Transportation and strategic support from Mississippi's congressional delegation. On the state front, the Mississippi Legislature increased MDOT's appropriations during the 2025 session by \$767 million, bolstering our capacity and maintenance programs. These funds have been instrumental in launching transformative projects across the state, including:

- **The Senatobia Roundabout:** A \$2.9 million project to greatly improve traffic flow and safety.
- **The U.S. 80 Bridge:** A \$6.5 million bridge deck rehab was completed ahead of schedule in 2025 and extends the life of the U.S. 80 bridge over the Pearl River in Jackson, a critical corridor that connects several communities in Rankin County to the Capitol City.
- **I-55 in District 7:** A \$76 million pavement resurfacing project to make safety enhancements and improve traffic flow along a critical route in southwest Mississippi.

These milestones reflect MDOT's dedication to delivering innovative, impactful solutions. In addition to large-scale infrastructure investments, 2025 saw many statewide paving projects funded by \$80 million from the Mississippi Lottery, further improving road safety and usability.

As Executive Director, it has been my privilege to lead MDOT through this transformative period. Together, we've achieved higher employee pay, secured increased funding for multimodal initiatives, and strengthened partnerships with federal and state stakeholders. Yet, our mission continues. The coming year promises more opportunities to enhance Mississippi's transportation systems and deliver enduring benefits to our citizens and industries.

This progress is a testament to the tireless efforts of the entire MDOT team, whose dedication establishes the credibility that enables us to secure vital resources and advance our mission. As we look to 2026, I am confident we will continue to rise to every challenge, working together to create a safer, stronger, and more modern transportation network for Mississippi.

Thank you for your contributions to MDOT's success.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad White".

Brad White
Executive Director
Mississippi Department of Transportation

EXECUTIVE SUMMARY

Revenues

MDOT is a special fund agency and receives both federal and state revenue from dedicated taxes and fees which are annually appropriated by the Mississippi State Legislature. MDOT's total revenue for FY 2025 was approximately \$1.45 billion. Federal funds and state motor fuel taxes provided 82.7% of MDOT's funding for FY 2025, with the balance comprised of various categories, such as truck fees, vehicle tags and contractor's tax.

Expenditures

MDOT's actual expenditures for FY 2025 totaled approximately \$1.42 billion. MDOT's expenditures for state and locally maintained roads and bridges totaled approximately \$1.38 billion.

\$1,382,898,824

SPENT BY MDOT ON THE STATE AND LOCAL ROAD AND BRIDGE SYSTEM

BY THE NUMBERS

Highways

- \$1,382,898,824 spent by MDOT on the state and local road and bridge system.
- \$833,223,017 awarded in MDOT road and bridge contracts.
- \$1,087,958,179 spent on active MDOT road and bridge contracts.
- \$224,841,233 let for bridge maintenance, replacement or repair projects.
- 108 bridge repair and replacement projects were awarded during FY 2025.
- An additional \$2,312,633 was spent on routine bridge repair and maintenance.
- \$2,510,498 was spent on bridge repairs due to accidental vehicle impacts.
- 3,442 bridge inspections performed.
- 1,523 lane miles of roadway resurfaced.
- 203 lane miles of roadway sealed.
- 1,559 miles of unpaved shoulders reshaped.
- 1,540 miles of new pavement striping applied.
- \$223,031,314 invested in routine maintenance projects such as overlays, restriping, patching pot-holes, controlling invasive plants and chip sealing on roadways.

- 293,575 acres of state-maintained right-of-way grass mowed.
- 3,605 cubic yards of litter removed from the roadside by our state forces.
- Volunteers collected 12,110 bags of litter through the Adopt-A-Highway program.
- 4,828 bags of litter collected through “Trash Bash” events.
- 181,959 bags of trash collected through the Inmate Litter Program.
- 127 women and minority-owned small businesses certified under the federal Disadvantaged Business Enterprise (DBE) program.
- Spent 12.5% of federal funds with DBE consultants and contractors.
- 26 Federal Aid Projects with 16,220 on-the-job training hours assigned to 17 enrolled trainees.
- 184,261 oversized/overweight load permits issued.
- \$17,708,502 collected in permit fees and spent on maintenance of state highways.

3,442 BRIDGE INSPECTIONS PERFORMED

Multimodal Transportation Improvement Program

- \$3.4 million invested in airport improvement projects.
- \$3.8 million obligated for improvements to the state's 16 ports.
- \$1.2 million allocated to railroad projects.
- \$1.6 million utilized for public transit system projects.

\$3.8 MILLION

OBLIGATED FOR IMPROVEMENTS
FOR THE STATE'S 16 PORTS

Education and Outreach

- 25 students reached through Mississippi Summer Transportation Institute program.
- Safety Education Program conducted 127 safety demonstration events, including 59 school and college campuses, around the state.
- Litter Prevention Program reached 12,209 students at 57 schools through anti-litter education programs.
- Employees earned 134 certifications through several different programs offered by the Mississippi State Personnel Board and other industry-related programs.

MISSISSIPPI TRANSPORTATION COMMISSION

The State of Mississippi vests oversight of its transportation resources and operations in a three-member elected commission representing three geographic areas in the state as defined by the Supreme Court Districts: Central [Supreme Court District 1], Southern [Supreme Court District 2] and Northern [Supreme Court District 3]. The Commissioners have the authority and responsibility for the supervision of all modes of transportation in the state dealing with aeronautics, highways, public transit, ports and railroads.

WILLIE SIMMONS

Central District Transportation Commissioner, Chairman

Commissioner Simmons served as a Mississippi State Senator for more than 26 years. For the last eight years, he served as Chairman of the Senate Highways and Transportation Committee. Under his leadership in the Senate, over \$5B was spent throughout the state on the construction and upgrade of federal and state roads, county and municipal streets and bridges; also, millions of dollars on public transit, ports, railroads, airports and other infrastructure support systems. He played an integral role on projects such as the repair of the Woodrow Wilson Bridge in Jackson; the upgrade and repair of Highway 8 in Cleveland; the Highway 82 Bypass in Leland among many others. He also served as Chairman of the Corrections Committee and Vice Chairman of the Public Health and Welfare Committee. Simmons is a Combat Veteran of the Vietnam War, having served his country proudly in the United States Army.

CHARLES BUSBY

Southern District Transportation Commissioner

Commissioner Busby is in his first term as Southern District Transportation Commissioner, covering 27 counties and approximately one million people. He previously served three terms in the Mississippi House of Representatives beginning in 2012. During his tenure in the House, his many committee assignments included Appropriations, Education, Energy, Gaming, Insurance, Interstate Cooperation, Marine Resource and Ports, Harbors and Airports. Notably, he served as Chairman of the House Transportation Committee since 2016. Prior to entering politics, he worked as a mechanical engineer for Brown & Root, Chevron and the Herzog-Hart Corporation. From 2001-2024, he served as the President of Orion Engineering. He is a member of the Pascagoula Rotary Club, Jackson County Chamber of Commerce, Jackson County Economic Development Foundation, American Society of Mechanical Engineers, American Council of Engineering Companies, and the NRA.

JOHN CALDWELL

Northern District Transportation Commissioner

Commissioner Caldwell has accumulated multiple decades of experience in leadership, transportation, fleet management and logistics. He has a Bachelor of Science from Arkansas State University and an MBA in Public Administration from Columbia Southern University. Caldwell is a Marine combat veteran of Desert Storm and Iraqi Freedom. He was awarded the Bronze Star and Legion of Merit among other awards. He retired from the Marine Corps Reserves as a Colonel with extensive operational and logistical experience over land, air and sea.

THE DEPARTMENT

Transportation Commission

Willie Simmons – Central District Commissioner,
Chairman
John Caldwell – Northern District Commissioner
Charles Busby – Southern District Commissioner
Amy Hornback – Secretary to the Commission
Pat Carter – Administrative Assistant

Administration

Brad White – Executive Director
Jeff Ely – Chief of Staff
Earl Glenn – Deputy Executive Director/ Chief Engineer
Janie Bass – Assistant Chief Engineer
Timothy Frederick – Director of Preconstruction,
Engineering
Trudi Loflin – Director of Preconstruction,
Program Management
Lisa Hancock – Deputy Executive Director/
Administration
Jim Willis – Director, Office of Intermodal Planning
and Highway Operations
Ben Cohen – Chief Information Officer

District Engineers

Matt Dunn, District 1, Tupelo
Brian Childs, District 2, Batesville
Andy McNair, District 3, Yazoo City
Neil Patterson, District 5, Newton
Billy Owen, District 6, Hattiesburg
Albert White, District 7, McComb

Division Directors

Josh Stubbs – Aeronautics and Rails Director
Jessica Dilley – Alternative Project Delivery
Susan Thames – Asset Management Director
Emily Harrington – Audit Director
Byron Flood – Budget Director
Jim Jordan – Central Services Director
Andrea Hendricks – Civil Rights Director
Mark Bombich – Construction Utility and Permitting
Stephen Rone – Consultant Services Director
Neal Dougherty – Contract Administration Director
Adam Johnson – Environmental Director
Jada Kirk – Financial Management Director
Mark Thomas – Highway Safety Engineer
Terrance Yarbrough – Human Resources Director
Judy Martin – Legal Division Director
Melinda Lott – Permits Division Director
Trung Trinh – Ports and Waterways Director
Alex Lazarou – Procurement Director
Mack Dowell – Programming Director
Will Craft – Public Affairs Director
Shirley Wilson – Public Transit Director
Don Drake – Right-of-Way Director
Scott Westerfield – State Bridge Engineer
Michael Hogan – State Construction Engineer
Mitchell Young – State LPA Engineer
Matt Dugas – State Maintenance Engineer
Griffin Sullivan – State Materials Engineer
Evan Wright – State Planning Engineer
Cindy Smith – State Research Engineer
Chris Nail – State Roadway Design Engineer
James Sullivan – State Traffic Engineer

MDOT Organizational Chart

FINANCIAL MANAGEMENT AND BUDGET

Statement of Receipts and Disbursements for the Fiscal Year ended June 30, 2025

FY 2025 Receipts

Receipts:

Federal Funds	\$887,936,851
Fuel Tax	313,828,050
Other Receipts	36,541,556
Truck and Bus Taxes/Fees	90,916,342
Tag Fees	19,852,965
Contractor's Tax	28,284,447
Lottery	73,465,040
Commercial Vehicle Fees	3,139,621
Total Receipts	\$1,453,964,872

MDOT Expenditures: How Much Goes to State Roads and Bridges?

85% spent on the State Road and Bridge System
95% spent on the State and Local Road and Bridge System

FY 2025 Expenditures

Expenditures:	
Capital Outlay - Payments to Contractors	\$878,783,654
Salaries and Benefits	180,685,072
Subsidies - Payments to State Aid, Public Transit and Debt Service	146,512,779
Contractual Services	140,702,275
Commodities	35,201,014
Capital Outlay - Equipment	17,866,890
Capital Outlay - Land and Buildings	16,863,089
Travel	1,931,898
Total Disbursements	\$1,418,546,671

Estimated Revenues for the Fiscal Year ending June 30, 2026

FY 2026 Estimated Revenues

Estimated Revenues:	
Federal Funds	\$837,000,000
Fuel Tax	315,000,000
Other Receipts	179,000,000
Truck and Bus Taxes/Fees	90,000,000
Contractor's Tax	23,000,000
Tag Fees	20,000,000
Interest	5,000,000
Commercial Vehicle Fees	5,000,000
Lubricating Oil Tax	1,000,000
Total	\$1,475,000,000

REVENUE AND EXPENDITURES

Revenue Sources

MDOT is funded through appropriations by the U.S. Congress and the Mississippi Legislature. Congress provides funding through the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), the Federal Railroad Administration (FRA), and the Federal Aviation Administration (FAA). For FY 2025, MDOT received \$887.94 million in federal reimbursements.

State Revenue Sources

The Mississippi Legislature provides state funding through motor fuel taxes and other fees. Mississippi has a state fuel tax of 18.4 cents per gallon. Under Mississippi statutes, MDOT receives a portion of fuel tax collections. During the 2025 Legislative Session, House Bill 1 marked a significant step toward addressing persistent transportation funding shortfalls. The legislation authorized a \$0.09-per-gallon fuel tax increase, phased in over three years. Once fully implemented in fiscal year 2028, MDOT expects to receive approximately \$164 million in additional annual revenue. MDOT received 73 percent of total state fuel taxes collected in FY 2025: \$313.8 million. The state law allocates the remainder to Wildlife and Fisheries, Marine Resources, State Aid, cities and counties.

MDOT is also funded through receipts derived from other dedicated state taxes such as truck and bus fees; the privilege tax; weight and size permits; trip permits; a contractor's tax of 3.5 percent assessed on certain highway construction contracts; a \$5 per vehicle tag registration fee; a lubricating oil tax; and interest income.

Federal Revenue Sources

Federal highway construction assistance is paid to all states through the Federal Aid Highway Program. Funding is derived from revenues collected by the U.S. Treasury from certain federal taxes on fuel, tire sales and other items which are deposited into the Federal Highway Trust Fund as well as infusions from the General Fund as needed to keep the Highway Trust Fund solvent.

Distribution of assistance from the Federal Highway Trust Fund is subject to periodic authorization and annual appropriation by Congress. Since such assistance was established by the Federal Aid Highway Act of 1956, the program has been reauthorized many times in various forms at generally increasing funding levels. Actual payments to states have continued without interruption since 1956.

The Federal Highway Trust Fund is a dedicated federal fund with revenues held in trust for reimbursement of expenditures by the states for costs of eligible transportation projects, including highway projects.

Revenue Received

MDOT's total revenue for FY 2025 was \$1.45 billion. State motor fuel taxes and federal funds provided 82.7 percent of the Department's funding for FY 2025. MDOT received \$313.8 million in funds from state motor fuel taxes during this reporting period. As stated above, the state motor fuel tax is a primary funding source for the Department. Revenue from other state taxes for FY 2025 included the following:

- Truck & Bus Taxes/Fees \$90.9 million
- Contractor's Tax \$28.3 million
- Tag Fees \$19.9 million

Actual Expenditures

MDOT's expenditures for FY 2025 totaled approximately \$1.42 billion. MDOT's expenditures for state and locally-maintained roads and bridges totaled approximately \$1.38 billion.

- Of this amount, \$149.3 million transferred for Local Road and Bridge System as Federal Highway pass-throughs to State Aid and local governments (LPAs and MPOs)

As shown below, the large majority of the Department's expenditures were focused in the Construction program (dollar amounts are in the millions):

Maintenance Program	\$223.0	15.7%
Construction Program	\$1038.6	73.2%
Administration Program	\$47.6	3.4%
Debt Services Program	\$66.6	4.7%
Aeronautics, Rails, Transit and Ports Program	\$42.7	3.0%
	\$1418.5	100%

As part of its fleet operations, the Department of Transportation maintained 47 state-owned automobiles, including four acquired in FY 2025. The average age is 10 years and 7 months, with a combined total of 307,559 miles, and an average of 6,543 miles per automobile. For FY 2025, the average operating cost was \$0.18 per mile.

Supplemental Appropriations

In addition to our regular appropriation, MDOT also receives supplemental appropriations for the programs listed below. In FY 2025, MDOT spent \$244.34 million on these supplemental programs.

1. MDOT's Capacity Project Fund Program assists in creating, developing, and constructing capacity projects included in the Three-Year Plan in accordance with Miss. Code Ann. § 65-1-141.2.
2. MDOT's Infrastructure Match Fund provides funds to match federal funds available from the annual Federal Highway Administration appropriations and from the supplemental Infrastructure Investment and Jobs Act (IIJA) appropriations.
3. The Emergency Road and Bridge Fund Program provides for emergency repairs to roads and bridges in accordance with Miss. Code Ann. § 65-1-179.
4. The Strategic Multi-Modal Investments Fund was established by the Legislature in 2023 for the purpose of increasing the capacity for the movement of freight and increase economic activity at airports, ports and railroads throughout the state.
5. Infrastructure Improvement Funds - The Legislature has provided MDOT with multiple appropriations for various infrastructure improvement projects.
6. Surface Transportation Projects – Federal American Rescue Plan Act – MDOT received \$50 million in Coronavirus State Fiscal Recover/Lost Revenue Funds and \$65.5 million in State and Local Fiscal Recovery Funds in FY2025. MDOT has committed to using these funds for payments to contractors on highway projects.

FY 2026 Projected Revenues & Expenditures

MDOT's budgeted expenditures (as appropriated by the Mississippi Legislature) for FY 2026 are approximately \$1.48 billion, while estimated revenues are approximately \$1.48 billion.

ADDENDUM

- Automobile Operating Costs
- Maintenance Expenditures
- Construction Expenditures
- Contracts Awarded
