

Improvements to the I-20/I-55 Freight Corridor Hinds and Rankin Counties

Project Number:
SP-0020-01(291)/109486-101300 & 102300

The Mississippi Department of Transportation (MDOT) received proposals for Construction Manager/General Contractor (CMGC) services for the referenced project. The Department's selection committee evaluated the proposals based on the criteria established in MDOT's Request for Proposals (RFP). The Department determined the most qualified proposer to be:

Yates-Key, a Joint Venture

The Mississippi Transportation Commission (MTC) approved the selection of this proposer on January 19, 2026 for CMGC Preconstruction Services. This CMGC Contract may be amended to add Construction Services with Commission approval.
