New York Life Group Benefit Solutions (NYL GBS) Survivor Assurance Disclosure Notice

NYL GBS Survivor Assurance Disclosure

If your insurance benefit is \$5,000 or more, NYL GBS will establish a free, interest-bearing draft account in your name. This account is a convenient and secure place to keep your proceeds while you decide how to best use them. A supply of personalized drafts (checks) will be mailed to you, once your claim has been approved. Personalized drafts are provided free of charge, and there are no per-draft fees, maintenance charges or penalties for withdrawal. There are charges for the following special services: drafts returned unpaid (\$10), stop payment (\$12) and copy of draft or statement (\$2).

You will receive a quarterly statement for your NYL GBS Survivor Assurance account, which will detail your account balance, interest earned, drafts cleared, and current interest rate. You may also check your account balance online at any time at www.nylgbssurvivorassurance.com.

Drafts are cleared through a draft account at BNY Mellon Bank (contact information on next page). NYL GBS's obligation to pay is satisfied by depositing the total proceeds in the retained asset account. Drafts draw upon funds held by NYL GBS (whereas a "check" draws upon funds held by a banking institution). You may write an unlimited number of drafts, in any amount, at any time up to your account balance. If you wish to withdraw the proceeds in full, you can write a draft for the total amount of the account at any time. You also have the right to receive an initial lump-sum payment in the form of a bank check. Please note that NYL GBS reserves the right to reduce account balances for any payment made in error. You also have the right to name a beneficiary to your account. If an account becomes inactive (as defined by your State's Department of Insurance), NYL GBS will return any remaining balance held in a RAA to your State of residence if no named beneficiary can be located.

This account is not insured by the Federal Deposit Insurance Corporation or any federal agency, but is guaranteed by the state guarantee association. Please contact the National Organization of Life and Health Insurance website (www.nolhga.com) to learn more about the coverage limitations to the account under a state guaranty association.

All funds are held by the insurance company, or one of its affiliates, which, like a bank, may earn money on the invested amounts that exceed the interest credited to the account and the cost of the additional benefits and services described below. For beneficiaries under policies issued by Connecticut General Life Insurance Company (CGLIC) and Life Insurance Company of North America (LINA), the custodian of the account funds will be CGLIC. For beneficiaries under policies issued by New York Life Group Insurance Company of NY (NYLGICNY), the custodian of the accounts funds will be NYLGICNY.

Disclosure on Interest Earned

You earn an attractive interest rate on the funds in your NYL GBS Survivor Assurance Account from the day it is established until the date it is closed. The NYL GBS Survivor Assurance interest rate is reviewed weekly and will be based upon the previous week's Bank Rate Monitor Index (BRM) or any successor money market index. The BRM Index is the average annual effective yield earned on the money market accounts offered by 100 large US Bank and Thrifts across the country. Any amount that remains in the account will continue to earn interest at a rate equal to the national average bank money market rate.

Please call our toll-free number 855.836.0697 for the current rate. Both your principal and any interest you earn are guaranteed by the insurance company. Any interest earned on the account may be taxable and you should consult a tax, investment, or other financial advisor regarding tax liability and investment options. Interest earned on your account is compounded daily and is credited to your account at the end of each month. All funds, including earned interest, are fully guaranteed by the insurance company.
